CHEC

Concord Homeowners Enhancement Coverage provides you with added protection – and peace of mind – at no cost.

There are many risks we don't think about until the worst happens. The removal of a tree that fell and damaged your house in a windstorm. Or, your keys were stolen and now you have to replace all your door locks. Concord Group's CHEC program contemplates these problems so you don't have to.

It's the less-frequent, lower-impact perils we don't think to insure against: Sewer and Water Back Up Protection, Refrigerated Goods Coverage, Building Law and Ordinance Coverage, Mortgage Renegotiation Expense Coverage, Lock Replacement and Debris Removal Coverage.

We thought of these risks and added coverage for you. And, best of all, this additional homeowners protection is provided at no cost to you.
