So whether you do jobs around town or business around the state, call us for the coverage you need.

PROGRESSIVE & YOUR LOCAL INDEPENDENT AGENT

Insuring your commercial autos through Progressive and your local independent agent is one of the smartest moves you can make for your small business. You're choosing the personalized benefits of an agent that knows your market and the one-of-a-kind services that Progressive offers policyholders 24 hours a day, 7 days a week.

ABOUT PROGRESSIVE

Progressive has been working together with independent agents to meet consumers' auto insurance needs since 1937. And for over 20 years, Progressive has met the auto insurance needs of the small business owner.

Today, Progressive and our independent agents continue to provide competitively-priced commercial auto insurance and one-of-a-kind services to operations just like yours.

As an insurer that consistently outperforms the rest, you can be certain that Progressive works just as hard as you do to earn the trust of customers.

After all, there's a reason over 30,000 independent agents across the United States choose to sell Progressive.
